"BPF treats the Health & Safety of all participants as a priority.
As with any sport/leisure activity there are hazards associated with playing paintball & laser combat.

- **I understand that:**

This activity is physically/mentally intense & may require extreme exertion to play. The possibility of injury to me & others exists. Playing areas have varying terrain, may be slippery & have many trip hazards. There is the possibility of fallen tree debris & holes. Goggles must be worn at all times unless instructed by a marshal (not laser players). Paintballs can bruise & cut the skin. Pyrotechnics omitting loud noises/bright light are used during games. No paintball guns allowed in Base Camp. No physical contact between participants. Cars are parked in the car park at owner's own risk. BPF accepts no responsibility for valuables lost/damaged at this venue.

- **I confirm & agree that:**

I am physically fit & mentally able to take the strain/exertion involved in participating. I have no medical condition that would prevent me from playing. (Please inform the game manager if you use an inhaler or any medical aid). I am fully aware of the risk to myself & others involved in paintballing & I will never under any circumstances deliberately shoot anyone in the face, head or neck.
I will wear goggles & not remove them anywhere on site (excludes laser players).
I will comply with the rules & use all equipment as instructed & not so as to injure or hurt others.
I will obey all instructions from the game manager/marshals. I will not shoot another player within 25 ft/ 8 mts (excludes laser players). I agree to pay any administration charges incurred as a result of cheques being returned or card payments being declined. I will only use paintballs supplied by BPF and understand that the use of other paintballs will result in immediate ejection from the venue.

- I've read & fully understand this agreement. I agree for BPF to inform me of its promotions.

I am fully aware that by signing this agreement I acknowledge and accept the inherent risk of injury that paintball/laser games entails & I wave any claim that results from my participation.
